Call us toll-free at 888-899-PDSA (7372) and ask for Michael Krasowski or Paul D. Sheriff. Email us at info@pdsa.com.

Get All the Advantages of a Highly Experienced CIO/CTO for a fraction of the cost!

PDSA offers your company a strategic advantage; our Virtual IT Service. You get the benefit of a CIO or CTO with 25+ years' experience to assist your IT staff. We realize that not everyone has the ability to hire a full-time CIO or CTO with this much experience, so we offer ours. Take advantage of our knowledge to ensure your IT department is performing the way it should and is aligned with your company's goals.

CIO Service

The PDSA CIO Service provides Chief Information Officer (CIO) leadership services to small and medium-sized companies. We offer interim and on-going CIO services from day-to-day management of your information technology to IT planning. Our CIO of 25+ years' experience will help your company with IT Project Management, Software Application Lifecycle Management, Software Application Development and other IT services.

CTO Service

The PDSA CTO Service provides Chief Technology Officer (CTO) services to small and medium-sized companies. We offer interim and on-going CTO services encompassing Software Architecture, Architecture and Developer Mentoring, and Application Reviews. Our highly seasoned CTO of 25+ years can assist your architects and developers ensure they are taking advantage of all the latest and greatest techniques in software development.
